

June 26, 2008

Dear Innovation Academy Community,

I can't believe that we'll be closing the deal on our new property at 72 Tyng Road in Tyngsboro, on Monday, June 30! It has been a long process, but I couldn't be happier with the result. I look forward to sharing the building with all of you in the near future! During the months of July and August, we will send out another mailing to set up formal dates and times for families to visit the school. While we'd like to allow everyone to come in at any time, because of the fact that part of the building will still be in use by a pre-existing tenant through July and August, we must adhere to set dates and times for visitors. Thanks for your understanding in this matter.

**A few important updates for you:**

School Start Time: Next year, both schools (middle and high school) will start at the same time, running from 8 AM to the days end at 3 PM.

School Start Date: Wednesday, September 3

Please keep checking back at the website for updates and information. As always, if you have questions, please feel free to send an email or give a call.

Best,

Walter Landberg  
Executive Director
